

Field Information

Our flying site is located at 14501 N. Old Galena Road, just north of the Caterpillar Technical Center. From the intersection of old Galena Road and Cedar Hills Drive, drive about one mile north, our sign is on the West side of the road, turn left (West) at the power lines. The field is about 1/4 mile on your right. See the map on next panel.

Our flying site is a Peoria Park District property, donated to the Park District by the Forest Park Foundation.

PEORIA RC MODELERS

MEMBERSHIP APPLICATION

2018

PEORIA RC MODELERS

Peoria RC Modelers is an **Academy of Model Aeronautics** sanctioned radio control model flying club. We fly almost every day during the summer, weather permitting. Members fly all types of model aircraft including fixed wing, helicopters, quadcopter and sail planes. In addition, we host a number of events including war birds, combat and pylon racing. Visitors are welcome any time we are flying and are welcome to attend a club meeting; come join in the fun. Look for more details at www.PeoriaRCModelers.com and www.facebook.com/PeoriaRCModelers

Flight Training

For those new to the hobby, we suggest the use of one of several RC flight simulator computer programs. You will be a proficient flyer sooner and reduce the risk of the loss of an aircraft. No cost flight instruction is a club benefit. Club, AMA rules and Club bylaws are followed at all times. Flying begins after 8 am and continues until sunset. AMA membership is required unless training with a club instructor.

Club Meetings - First Tuesday Monthly

Club business is conducted at the monthly business meeting which also has a program or show and tell. Members are encouraged to bring models for show and tell or for building and detailing suggestions.

May through September Meetings:

7:00 p.m. at the flying field.

October through April Meetings:

Order food at 6pm (optional) Meeting at 7:00pm, check our web site for meeting location.

2018 Club Dues - Pay On Line at:

<http://squareup.com/store/peoria-rc-modelers/>
